Why Take the ACT?

- The ACT® test is accepted by virtually all U.S. colleges and universities.
- The ACT is a curriculum-based examination, NOT an aptitude test.
- You can register for the ACT, view scores, and send Additional Score Reports online.
- Your ACT results can help you with college and career planning.

ALL students testing outside the United States, U.S. territories, Puerto Rico, and Canada MUST register online.

Once you create your student Web account, you can register for the ACT and access a variety of ACT services.

Choosing a Test Option

We offer two test options:

1. The ACT (No Writing), which is made up of four multiple-choice tests in English, mathematics, reading, and science.
2. The ACT Plus Writing, which includes the four multiple-choice tests plus a 30-minute Writing Test.

Check with the colleges you are considering or check www.actstudent.org for a list of colleges that have told us if they require, recommend or do not need results from the ACT Writing Test.
